

Top 10 Reasons to Join ChamberWest

10. The **advocacy** I receive from the chamber if I have a concern or current issue my business is dealing with or even an inquiry about how to go about getting something added for my business. Not to mention the chamber represents the business community of three cities (Taylorsville, West Valley City and Kearns).

9. The opportunity to **promote my business** at the annual Golf Classic, Awards Gala, Grizzlies Night, Santa Christmas parade and other chamber functions!

8. The added **exposure** of being listed in the annual Welcome Utah Guide (distributed to all new area residents – approx. 500 monthly), the *Discover West Valley City*, *Taylorsville Spirit* and *Kearns View* magazines, and on the chamberwest.org website (with link).

7. **Increase my sales** through advertising sales, specials and/or events in the *Week-at-a-Glance* email and *Weekly Fax* sent to all current members (approx. 500 businesses).

6. Receive new **qualified leads** and stay involved in the community.

5. **Free Lunch!** Each time I **refer a business** to the Chamber and that business joins I receive a FREE *Have Lunch on Us* card (valid at any chamber meeting: WIN, Gen. Membership Meeting, Gov't Action Committee or Eggs & Issues).

4. The **added value** I receive by having a ribbon cutting event for my organization complete with large scissors, ribbon, coverage of the event, invitation to all current chamber members to attend and even arrangements made for the mayor (or other city official) to attend. That framed photo of my ribbon cutting looks great on the wall too!

3. **Involvement** in all monthly chamber meetings (Women's Information Network, PING Networking Group, General Membership Meeting, Government action Committee, Eggs & Issues, Hard Hat Club) where I can network, develop new business leads and get back to the basics of handshakes and relationships, especially in a slowing economy.

2. **Network** with many businesses at *Business Before Lunch* each month where as a member I can even reserve a FREE table to display my product, distribute flyers and coupons and inform attendees of my services.

1. Gain new business as well as **save money** both professionally and personally through the **Member-2-Member discount program**. I can offer any discount to all chamber members and likewise I qualify to receive all listed discount offers from other chamber members (i.e. insurance, restaurants, hotels/conference centers and more!).
